About Vantage Data Centers

At Vantage, we run some of the most customizable and scalable data centers in the world, with a meticulous focus on efficiency, operational excellence, reliability, testing, and maintenance. With campuses in Silicon Valley, California, and Quincy, Washington, we support the most demanding of large enterprises, technology companies, and service providers. Vantage Data Centers was founded on the principle that modern-day data center design should evolve in innovative ways that lead to dramatic gains in energy efficiency. Years later, we're still leading that charge. It's through our focus on efficiency, collaboration, and operational expertise that our customers and company continue to excel.

Position Description

Vantage is seeking a detail-oriented, analytical, initiative-driven, quick-learning FP&A & Corporate Development Manager to own responsibilities across critical functions relating to financial operations and corporate strategy. You will conduct and drive broad company initiatives and interact with key internal and external stakeholders. You will work closely with our Chief Financial Officer, other members of our Executive Team, as well as our debt and equity investors. The ideal candidate will be an autonomous self-starter who is capable of driving results without constant direction. You should have a professional-growth mindset and be willing to bring forth innovative ideas and methods that can benefit Vantage.
